

2021 RESPONSIBLE SOURCING PROGRESS

CAGE-FREE EGGS

As outlined in our [Animal Welfare Statement](#), Hilton strives to work towards the legal, ethical, humane treatment of animals across our value chain – operations, supply chain and communities. Hilton encourages its suppliers to implement humane procedures to prevent the mistreatment of animals at all times, including when they are raised, cared for, transported, and processed. The following represents our 2021 progress.

CAGE-FREE EGGS PROGRESS

Hilton made significant progress towards our cage-free eggs goal prior to the COVID-19 pandemic, particularly for managed hotels in the Americas. However, our progress toward cage-free egg sourcing goals has been impacted by ongoing supply chain challenges. We are working toward reaching pre-pandemic levels globally moving forward.
